

ARKANSAS COURT OF APPEALS

DIVISION II  
No. CACR08-261

EDDIE TYRONE DAVIS

APPELLANT

V.

STATE OF ARKANSAS

APPELLEE

Opinion Delivered January 14, 2009

APPEAL FROM THE CRITTENDEN  
COUNTY CIRCUIT COURT,  
[NO. CR-06-586B]

HONORABLE CINDY THYER,  
JUDGE

MOTION GRANTED; AFFIRMED

**JOSEPHINE LINKER HART, Judge**

According to an order filed March 5, 2007, the circuit court placed appellant, Eddie Tyrone Davis, on probation for eighteen months after he pleaded guilty to the crime of possession of a controlled substance. On September 20, 2007, the State filed a petition to revoke appellant's probation, alleging that he violated the terms of his probation. According to an order filed December 10, 2007, the circuit court revoked appellant's probation and sentenced him to ninety-six months' imprisonment plus a suspended imposition of sentence of twenty-four months.

Pursuant to *Anders v. California*, 386 U.S. 738 (1967), and Ark. Sup. Ct. R. 4-3(j), appellant's counsel has filed a motion to withdraw on grounds that the appeal is wholly without merit. The motion is accompanied by an abstract and addendum of the proceedings below, including all objections and motions decided adversely to appellant, and a brief in which counsel explains why there is nothing in the record that would support an appeal. The

clerk of this court sent appellant a certified copy of his counsel's brief and motion to be relieved and informed him that he had the right to file pro se points for reversal. Appellant did not file any pro se points.

From our review of the record and the brief presented to us, we find compliance with Rule 4-3(j) and that the appeal is wholly without merit. Accordingly, counsel's motion to withdraw is granted, and the order is affirmed.

Affirmed; motion to withdraw as counsel is granted.

ROBBINS and BAKER, JJ., agree.
